## RESIDENT SPOTLIGHT

Vicki Lynn Williams Paulk, born on November 1, 1948, grew up in the small town of Libuse, Louisiana. Being from a small town, she learned early that the best parts of life aren't always the biggest moments, but the ordinary moments spent with the people you love. She never took the small things for granted - a visit with a neighbor, sitting in the yard watching her grandchildren play, or sharing a meal. She values family, neighbors, traditions and simply being together. She married her high school sweetheart, Roger, before they both headed to college at Northwestern State University in Natchitoches, Louisiana. While there, Vicki obtained her undergraduate degree in childhood education.

She and Roger raised two children together, Brandon and Julie, and today she is a proud grandmother of five: Calum, Camille, Darina, Isabel, and Abigail. With a deep love for children, she dedicated her career to education, teaching at the junior high and high school levels. Vicki never saw teaching as simply a job; she saw it as an opportunity to make a difference in the lives of children. She cared for the students she taught as though they were her own. Some of her career was spent teaching at an alternative school for students who were expelled from their traditional school. Rather than judging these young people for their past mistakes, she saw their potential and met them with patience, understanding and compassion. She poured her heart into helping students who needed someone to believe in them, just as she has always believed in her own children and grandchildren. She eventually went back to school when her children were older to get her Masters Degree in Education and became the Assistant Principal at Pineville Junior High School. She spent the last several years of her career here until she retired. Her ability to love, teach, and care for others is a beautiful reflection of the person she is today and also what makes her a truly cherished member of our community.

Join us on November 19th for a special service with Chaplain John Bender as we reflect on Gratitude and Thanks. November is a beautiful time of year to pause, reflect, and appreciate the many blessings that surround us. As the leaves change and the holiday season begins, we are reminded that gratitude can bring warmth, comfort, and joy to our hearts. This month, let’s take time to celebrate the people who make a difference in our lives—family, friends, neighbors, caregivers, and our wonderful community. A kind word, a helping hand, or even a simple smile can brighten someone’s day and remind us of how much we have to be thankful for. Come join us as we gather together in a spirit of gratitude, appreciation, and thanksgiving. Let’s celebrate the blessings in our lives and share the warmth of thankfulness with one another.
