Annette Eby was born in Atlanta, Texas in 1944 to Norma and Hardy Wiggins. She was the third of four children. Embracing National Wellness Awareness Month

August is here, and with it comes National Wellness Awareness Month—an ideal time to focus on improving and maintaining our holistic well-being. Wellness isn't just about physical health; it encompasses emotional, mental, social, and even spiritual aspects of our lives. Let's explore various dimensions of wellness and practical tips to help you cultivate a more balanced and fulfilling life.

Understanding Holistic Wellness

Holistic wellness is the integration of multiple facets of well-being to achieve overall balance. These dimensions include:

1. Physical Wellness: This involves taking care of your body through exercise, proper nutrition, and regular medical check-ups. It's about feeling good in your body and maintaining energy levels.
2. Emotional Wellness: Recognizing and managing your emotions effectively. Emotional wellness involves building resilience, fostering positive relationships, and finding healthy ways to cope with stress.
3. Mental Wellness: This pertains to cognitive health and includes aspects such as intellectual growth, creativity, and critical thinking. Engaging in activities that stimulate your mind, like reading or solving puzzles, can enhance mental wellness.

Celebrating a Lifetime of Memories

On August 21, we celebrate National Senior Citizens Day, a special time to honor the wisdom, strength, and experiences of our seniors. Each resident has a unique story filled with memories, accomplishments, and moments that have touched the lives of family, friends, and our community. The kindness, laughter, and friendships shared each day are what make our community feel like home. This day is a reminder to celebrate the memories we have created and the new moments still to come. Thank you to all of our residents for the joy, warmth, and positivity you bring each day. We are honored to celebrate you on National Senior Citizens Day and throughout the year.
