RESIDENT

SPOTLIGHT

Alyce Dicken has been a cherished resident of By Buckner Parkway since March 2023 .

Born Alyce Gabryshak in Wisconsin in 1943, she grew up on a farm where early mornings, open fields, and the rhythm of tending the land shaped her lifelong love of nature. After high school, she joined the U.S. Air Force and served until 1964. During her service in Poughkeepsie, New York, she met Glenn, who would become her partner in every adventure to come. The couple married in 1964 and moved to Houston, where Alyce worked as a keypunch operator and embraced her role as a summer parent to Glenn's sons, Wesley and Randy. In 1967, she welcomed their daughter, Sally Ann. A favorite chapter of family life began when Glenn's work took them to Germany, where they spent several

years exploring new landscapes and traditions before returning to Houston in 1975. Alyce devoted herself to homemaking and motherhood, while also taking on part-time roles that reflected her interests. She worked with kindergartners in a church afterschool program and later become an office manager for an art dealer—discovering a passion that filled the family home with artwork ranging from Jan van Eyck and Salvador Dali to Texas Hill Country artist. Her love of beauty extended to her gardens, which she tended with care and creativity. Her flowerbeds and vegetable garden earned repeated “Yard of the Month” awards from the local civic association. In retirement, Alyce and Glenn traveled across the United States, often seeking antique shops and hidden treasures. At home, she shared favorite movies, books, and Christmas cookie traditions with her granddaughters—and held the title of undefeated family Scrabble champion until 2019. Today, Alyce is lovingly cared for at Parkway By Buckner Memory Support, where staff affectionately call her “Flower.”
